Meeting started late due to the Secretary computer crashing just before the meeting. Tech support (Shaune English) worked on fixing and then once fixed kicked everyone out of the meeting.

Went through the proposed agenda for the SKC. Order of items moved around and some of the management items reworded.

Agenda to go out Friday.

Discussed 2019 State Regulations having points system all the same for club championships. Currently the State Championship Points, zonal points and club championship points are all different. Brett felt this was totally up to the clubs and should not be part of the State Regulations however we could definitely discuss the idea at the SKC.

Annette to investigate if the Club Championship policies can be added to the website and the bottom with the club contacts. Not all clubs have sent these in and will need to be followed up.
