Ashley addressed the meeting stating this meeting was to discuss recent members conduct (of the State Karting Council) and how to deal with it.

Conduct of members, in particular John McCleverty, was discussed.

It was felt that the same messages of acceptable conduct had been sent over and over and was being ignored. The negative impact was not taken seriously.

A unanimous decision was made by the Executive to raise concerns against John McCleverty's behaviour to the Board of Karting Australia immediately. If other members continued with unacceptable conduct, it would also be lodged to Karting Australia.

Ashley was tasked with lodging the concerns with Karting Australia on behalf of the Executive.

Meeting Closed at 8.30pm
